# Tempest™ Post Cover, Square Black

(sku 94800827)

## Installation Note

This post cover fits over the deck mount to conceal the mounting bolts and provide a decorative appearance. Slide the cover over the post before tightening the post to the deck mount.

Cover Dimensions: 13-1/2” by 13-1/2”

**NOTE**: The magnets on the bottom of the cover should remain slightly loose. This allows the magnets to attach to the deck mount even if the deck surface is slightly uneven.
