FIRE GLASS & MEDIA OPTIONS

Amantii / Sierra Flame decorative fire glass media is a beautiful addition to your electric fireplace. Turn your fireplace into a expressive work of art by simply adding our decorative fire glass media. Our fire glass adds a distinctly modern feel to your electric fireplace - mix colors and textures for a unique appearance.

Always wear protective gloves when handling fire glass media. One 5lb container of media will cover 1 square foot.

DESIGNER MEDIA KITS

Images are not to scale, please visit your local dealer to view the actual accessories. Variations in the color and shade are inherent in all printing processes, the actual colors may vary slightly from those shown in this brochure. Please visit your local dealer to view a sample.

Note: Log sets and Designer Media Kits will fit in all sizes of the following models - Panorama DEEP and TRU-VIEW-XL ONLY
(For the Design Media 11 piece & Design Media 14 piece, depending on the size of the fireplace model, some logs may not be needed.)

DECORATIVE MEDIA OPTIONS

WHITE GLASS SURROUND

Brighten up any space with a cool contemporary white glass surround. White glass surrounds are optional for additional purchase and are available for the shown models only. Ships in separate box, must ship with unit. *Dealers see price list for white glass surround model numbers.*
