

Linear P and PL

PL42DF NG Flame with Speckled Stones and Driftwood Log Set

 **MONTIGO**[®]
the art of fireplaces

Redefine Your Home Experience

Enjoy the expanded sense of space and the comfort of a unique modern fireplace. Montigo fireplaces offer the ultimate in fire and relaxation.

Versatility

Choose between top or rear convertible venting. A power vent option allows the fireplace to be placed anywhere in the home up to 100 ft. from an exterior wall.

Burner Technology

A flame viewing experience unlike any other. With a concealed ribbon burner, the burner is covered with glass media. Switch to optional Designer Speckled Stones or add the optional Driftwood Log Set to complement any media choice.

Our Guarantee

Rest assured our uncompromising quality and long-term reliability is backed by our limited 10-year warranty.

P52DF NG Flame with Speckled Stones and Driftwood Log Set

PL38DF LP Flame with White, Silver, Opaque Firestones

P38DF NG Flame with Opal Firestones

PL Series

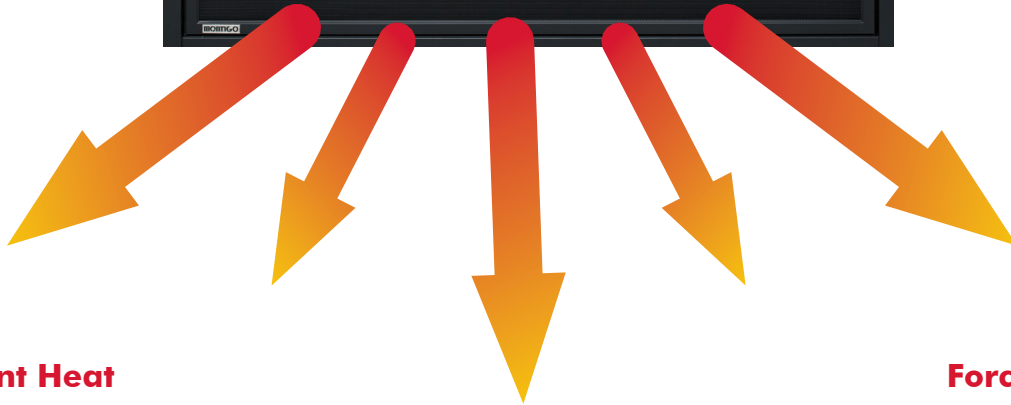

Montigo's PL Series fireplaces allow you the choice of adding the Porcelain Panels or Multi-speed fans to customize a fireplace that is perfect for your space.

P Series

A reflection of Montigo's dedication to luxury. The P Series comes fully loaded with a Porcelain firebox liner, burner uplighting, and Multi-speed fans as a standard.

PL42DF with White, Silver, Opaque Firestones

Radiant Heat

Montigo's Linear P and PL Series fireplaces provide radiant heat to add comfort to any space. Cozy up to a Montigo fire and enjoy the warming glow.

Forced Air

The fan kit distributes heat further into your space. Share the comfort using multi-fan speed control on your standard remote. The fan kit comes standard on all P-Series models and is an available option for all PL-Series models.
