

MODELS: Prodigy PC8**ST

STYLE: See Through

DESCRIPTION	FEATURES
The Prodigy adds tranquility and warmth to your home. The linear burner produces a relaxing ribbon-like flame. Your desired media can completely cover the bed of the firebox, enhancing the ambience even when the fireplace is not in use. Clean contemporary lines and frameless double glass design deliver breathtaking aesthetics. Finishing materials can be brought down to the edge of the glass creating a stunning focal point without interruption.	<ul style="list-style-type: none"> • COOL-Pack™ system allows for all glass barriers, no screens required • Zero clearance • Multi-color LED lighting • Up to 15,000 BTU/HR per linear foot • Customizable media options • Electronic ignition-no standing pilot • Compatible with home automation systems
