NOVA INDOOR/OUTDOOR SERIES
RECESSED ELECTRIC FIREPLACE

NOVA INDOOR/OUTDOOR ELECTRIC FIREPLACE

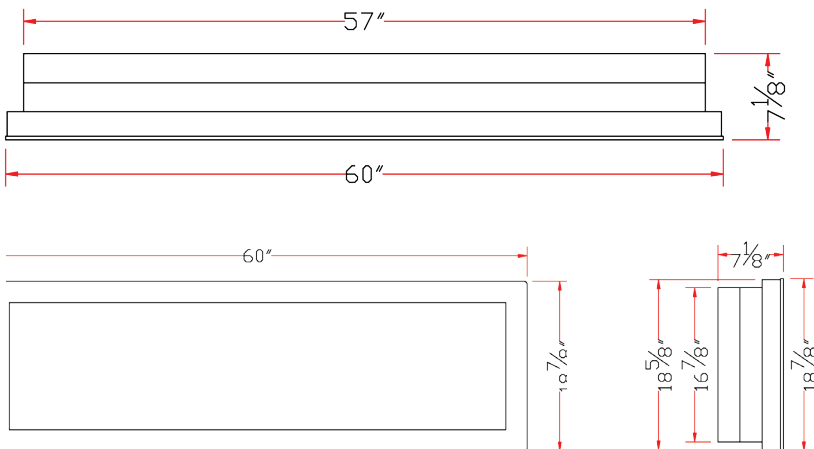

The NOVA Recesses Electric Fireplace follows the long lineage of industry changing electric fireplaces. This is the first Outdoor Rated Electric Fireplace available in the market. The fully enclosed electric fireplace construction is built and designed to accommodate any environmental occurrence such as rain and other costal factors. The Nova is 120 V non-heat model that has an optional upgraded 3000W 220 V Outdoor Heater adaptor. Both the heater and the fireplace operate with a wall switch. The Nova creates a perfect ambience for any moonlight setting.
