Please note premium accents require special maintenance - speak to your dealer for more details.

DreamCast is a family-run business and we understand that it's the little things that make a difference. Keeping to our roots, DreamCast is a team of Vancouver, Canada artisans that create fine concrete products for indoor and outdoor by hand. We combine age-old European tradition and craftsmanship with the technological innovations of today to bring you a modern product that supports local artisan work.

We understand that beyond quality, functionality and design, factors such as environmental friendliness and tested safety are a key deciding feature. **DreamCast** incorporates post-consumer materials into its mix and our fire pit line is tested and certified through Intertek to give you peace of mind.

WARRANTY INFORMATION

All our concrete products are backed with a limited 1 year manufacturing warranty and the burner systems feature a limited life-time warranty in residential installations. Full warranty information is available on our website.
