Our Panorama series family just got better with the addition of the Extra Slim! With an opening height of 11-7/8" and available in four sizes, you'll find a unit that is perfect for any space in your home, business or commercial space. At just 4" in depth, the XS is perfectly suited to installations where wall depth is at a premium.

Boasting our FIRE & ICE® Flame presentation with three color LED light strips allowing for multi-color flame options. With just a click of the included remote control, choose from blue, rose, violet, yellow or orange colored flames. The Extra Slim model comes standard with clear decorative media with additional media options available for purchase.

KEY FEATURES: Extra Slim

LIGHTING

Fire & Ice Flame®: Vibrant multi-colored state-of-the-art FIRE & ICE® flame that is easily changed from purple to orange or yellow to blue to purple, rose or violet to blue with just a click of the remote.

The Panorama Deep Series of built-in electric fireplaces have been designed to give you the maximum in flexibility in selecting a unit that perfectly suits your needs. The stylish electric fireplace will be a focal point in any room, indoor or outdoor.

At just 6 3/4" in depth, the Slim is a practical choice for new construction projects and renovations alike. As well as giving you the ability to install your fireplace with your choice of finishing material built right to the glass for a "clean face" design or using the provided black metal surround. Your choice – your design!

Featuring the vibrant FIRE & ICE® flame set, with just a click of your remote you can easily change the flame colour from blue to purple to violet to orange or yellow. Additional media options available for purchase, please see back page for more details.

FIRE GLASS & MEDIA OPTIONS

Amantii / Sierra Flame decorative fire glass media is a beautiful addition to your electric fireplace. Turn your fireplace into a expressive work of art by simply adding our decorative fire glass media. Our fire glass adds a distinctly modern feel to your electric fireplace - mix colors and textures for a unique appearance.

Always wear protective gloves when handling fire glass media. One 5lb container of media will cover 1 square foot.
