VENT-FREE COLLECTION

Families gathering together to share moments...

The beauty and warmth of a Real Fyre® Vent-Free Gas Log Set in your fireplace provides a special harmony to your living space. During the chill of the season, families and friends get together and share special moments around the coziness and serenity of the fireplace. For over 65 years, Real Fyre® Gas Logs have been there to share in the best of these experiences with you. With the choices available in our Vent-Free Collection, you get the splendor and warmth of a wood fire without the need for venting your fireplace.

The hand crafted and realistically detailed logs are available in a variety of styles, with active natural flames and glowing embers for the look of a wood fire. Let your fireplace showcase the beautiful detail of Real Fyre® gas logs, whether the fire is on or off.

For a more contemporary look, the G21 Series burner presents the color and sparkle of Fyre Glass and Fyre Gems.

With 99% heating efficiency, these sets operate using less gas, saving you energy dollars. ANSI certified for natural or propane gas, the Vent-Free Collection is equipped with an Oxygen Depletion Sensor for safe operation. A variety of control options are available, from manual to electronic to thermostatic remote, allowing you to operate your fireplace from the comfort of your easy chair.

The Real Fyre® Vent-Free Collection is listed for use in solid fuel burning masonry fireplaces, UL-127 factory-built fireplaces certified for use with vent-free logs, and listed vent less firebox enclosures.

WHAT A FIRE IS MEANT TO BE

G19 SERIES

The newest innovation in vent-free gas logs is the G19 Burner System. This clean burning system provides a dazzling flame pattern and offers two distinctive styles of logs. The uniquely designed front log mimics real wood and the glowing embers enhance the beauty and realism of this system.

Foothill Oak (FTO-24)

The G19 Series is available for Natural or Propane gas in 18"/20" and 24"/30" sets, with variable BTU ratings from 22,000 to 40,000. Lava granules and embers are included with the unit.

2 log styles to choose from, sizes 18", 24" & 30":

- FTO-** Foothill Oak Gas Logs
- FTSO-** Foothill Split Oak Gas Logs

** Insert size (e.g. FTO-24). Add "**P**" for Propane.

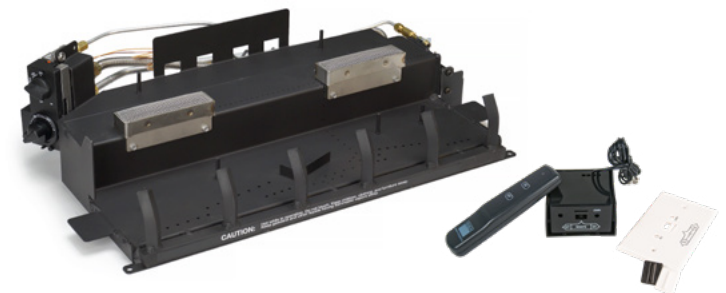

A number of control options are available including:

- Remote on/off (-12)
- Remote with variable flame height control (-15)
- Remote with variable flame height control and electronic non-standing pilot (-01V)

G19-24/30-15

Gas Burner
with electronic variable control

Charred Aged Split Oak (CHAS-24)

G10 SERIES

Featuring the popular burnt through front log, the G10 Series is available in two attractive log styles; Charred Frontier Oak and Charred Aged Split Oak (both ceramic refractory log sets). Lively flames and a large ember bed with Bryte Coals highlight the handcrafted logs, adding efficient heat and unmatched beauty to your fireplace.

The G10 Series is available for Natural or Propane gas in 16"/18" and 24"/30" sets, with variable BTU ratings from 17,000 to 37,000. Lava granules, embers and Bryte Coals are included with the unit. Stainless steel models are available for added durability and use in outdoor rooms.

2 log styles to choose from, sizes 16/18", 24" & 30":

- CHFR-** Charred Frontier Oak Gas Logs
- CHAS-** Charred Aged Split Oak Gas Logs

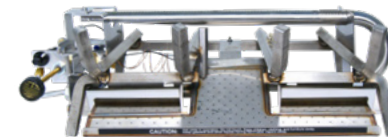

** Insert size (e.g. CHFR-24). Add "P" for Propane.

A number of control options are available including:

- Manual control
- Remote on/off (-12)
- Remote with variable flame height control (-15)
- Remote with variable flame height control and electronic pilot (-01V)

with manual control

G18 SERIES

The Evening Fyre, Evening Fyre Charred and the Evening Fyre Split log sets are featured on the advanced G18 Vent-Free Burner System. The logs are sculpted and hand-painted with distinctive charring on the front log, mimicking a wood fire. The dramatic ember bed, with Bryte Coals and two wood chunk decorative covers, enhance the warmth and beauty of the log set.

Evening Fyre Split (ESV-24)

The G18 Series is available for Natural or Propane gas in 16/18" and 24/30" sets, with variable BTU ratings from 25,000 to 38,000. Lava granules, embers and Bryte Coals are included with the unit. See-thru sets are also available in 16/18" and 24/30" sizes.

3 log styles to choose from, sizes 16"/18", 24" & 30":

- **EFV-^{**}** Evening Fyre Gas Logs
- **ECV-^{**}** Evening Fyre Charred Gas Logs
- **ESV-^{**}** Evening Fyre Split Gas Logs

^{**} Insert size (e.g. **EFV-24**). Add "**P**" for Propane.

A number of control options are available including:

- Manual control
- Remote on/off (-12)[†]
- Remote with variable flame height control (-15)[†]
- Remote with variable flame height control and electronic pilot (-01V)

[†]See-thru burners are only available with "-12" and "-15" control valve options.

G9 SERIES

The traditional beauty of Golden Oak Designer or Split Oak logs add to the elegant burn of the G9 Vent-Free Burner System. Dancing flames and an ember bed, featuring an innovative reflective panel, offer comforting heat and fireside charm.

Split Oak (S9-24)

The G9 Series is available for Natural or Propane gas in 20", 24" and 30" sets, with BTU ratings from 17,000 to 36,000. Lava granules, embers and Bryte Coals are included with the unit. See-thru sets are also available in 24" size.

2 log styles to choose from, sizes 20", 24" & 30":

- RD9-** Golden Oak Designer Gas Logs
- S9-** Split Oak Gas Logs

** Insert size (e.g. RD9-24). Add "P" for Propane.

G21 SERIES

CONTEMPORARY BURNER

This all 304 stainless steel burner burns cleanly with glass/gems directly on burner ports, providing a beautiful sea of flames. Only 10½” front-to-back, the mirrored front and back panels create a high and deep flame appearance. With its sleek lines, wide variety of choices for accessorizing (many unique colors in Fyre Gems and Fyre Glass), and a striking polished mirror finish, the G21 is the perfect addition to any contemporary hearth.
