

Revillusion®

24" Built-in Electric Firebox / Fireplace Insert RBF24

Revillusion® is a completely new way of looking at fireplaces, and changing the standard for electric. A clear view through the lifelike flames, to the full brick interior, captures the charm of a wood-burning fireplace. Easily retrofit an existing gas unit or add life to an unused wood fireplace.

Features

Revillusion® Flame Technology
Flames are larger, brighter and more random, appearing from within the logs.

Mirage™ Flame Panel
Partially frosted acrylic panel is clearly better than a mirror, showing only dazzling flames and no reflections.

ThruView™ Full-depth Design
See clear through the flames to the back of the firebox for a more authentic experience.

Mood Lighting
Customize the firebox glow with a choice of warm hues, plus midnight mode.

Color Enhancement
Adjust the flame base color to red or blue.

Realgogs® Plus
A full grate of life-size hardwood-cast logs, tiered for greater depth.

Full Brick-surround Firebox
More authentic day or night; 270-degree herringbone brick with natural soot markings.

Brightness and Flicker
Adjust light level to suit the room and choose flicker effect for enhanced firelight.

Ambient Light Sensor
Automatically adjusts firebox light to suit the room day to night.

ComfortSaver® Heating System
The patented ComfortSaver® ceramic heating system uses 11% less energy than the leading quartz infrared heater by automatically adjusting fan speed and heater wattage to safely and precisely match the requirements of the room.

All-season Flames
Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Just Plug It In / Direct-wire
Simply plug into any standard household outlet for instant ambiance. Can be hardwired to a 120 volt circuit for a seamless look.
