**WE CALL IT
ART OF FIRE**

ART OF FIRE

A stove from RAIS is more than just an efficient and eco-friendly heat source. It is a Nordic design object fusing aesthetics and technology - a sculpture for your home. We call it ART OF FIRE.

Regardless of your preferences, there is a RAIS stove for any space and décor. From wood-burning stoves to gas stoves and inserts. From nostalgia to urban minimalism. From castle to cabin.

Be inspired – find your favorite!

WOOD- BURNING STOVES

**RAIS STOVES ARE NOT LIKE
THE REST**
THEY STAND OUT. FROM THE CROWD.
AND IN YOUR HOME.

RAIS[®]WOOD

RAIS Viva L 120 - black, SST top

Circular, smooth and minimalist with an impressively large glass door, the RAIS Viva L series creates the impression of an open fireplace. Choose between glass or steel door, various colors and two heights.

RAIS Q-TEE II C SOAPSTONE

With gorgeous soapstone, this stove radiates not just a touch of nature, but also excellent heat as well. This elegant stove, with its almost 400 lbs of stone, radiates heat for hours on end. Choose between open or closed firewood storage compartment.

RAIS Q-TEE II C

RAIS Q-Tee II C is one of the cleanest burning non-catalytic stoves. The C refers to the stove's elegantly CURVED glass door and rounded sides. Choose between an all glass door or door with steel frame as well as several base options.

Choose between open or closed firewood storage compartment.

RAIS VIVA L GAS

Enjoy an authentic fireplace experience with iconically round and freestanding RAIS Viva L Gas. Turn the fire on and off and adjust the flame size and temperature with a flick of a button. Choose between two different heights (100 & 120 cm), two different colors and optional side glass.

RAIS Viva L Gas comes standard with a safety screen.

VIVA L 120 GAS

RAIS Viva L 120 Gas stove series shares its iconic round design with RAIS Viva L for wood. Both stove models offer a cozy fireplace atmosphere and extended views of the flames through the elegantly rounded glass.

RAIS Viva L Gas comes standard with a safety screen.

VIVA L 100 GAS

RAIS NEXO GAS

With its cubic design, clean lines and sharp angles, RAIS Nexo Gas is the perfect match for contemporary interiors and minimalist architecture. Choose between five heights – from 100 - 185 cm – and various other custom options.

RAIS Nexo Gas comes standard with a safety screen.

NEXO 100 GAS

NEXO 160 GAS

RAIS Q-TEE II C GAS

RAIS Q-Tee II C Gas is distinguished by its softly rounded corners and beautiful curved glass door. Choose between multiple base, leg and door options.

Height: 43"

GIZEH

Grill and fireplace combined in a striking pyramid-inspired design.

Height: 76"

LIGHT CONE

Cone-shaped torch with an oil lamp insert.
Available in two heights: 44" and 53".

RA

Minimalist fire bowl for enjoyable outdoor living.

Diameter: 31,5"

RAIS' outdoor collection is handmade with heart and passion. Good craftsmanship takes time, but the result is worth the wait.

The collection's gorgeous rusty patina is created by the elements under an open sky – which is why no two products are alike. Every grill and bonfire stove has a unique look.

Find inspiration for how you can create a wonderful outdoor space and gather friends and family around a crackling fire for fun or a delicious meal outdoors.

OUR DESIGN HERITAGE

For generations, Danish design has been recognized around the world for its fusion of functionality, quality, simplicity and craftsmanship. At RAIS, we are inspired by our rich heritage, and our products carefully reflect the Danish design tradition.

SPECIFICATIONS

The following pages comprise recommendations, specifications and technical data for each of our stoves. The information is for your guidance only.

Before installing your new stove, we strongly advise you to read the user manual for the specific stove and to give careful attention to the recommendations applicable to the stove in question.

Due to continuous technical development we reserve the right to make changes to specifications, colors and equipment without prior notice. We will not be held liable for misprints, text errors, pictures and specifications.
