IDEAL APPLICATIONS

- Residential spaces
- Commercial spaces
- Restaurants
- New construction or renovations

CLEAN FACE - NO UNSIGHTLY VENTING

Unlike models made by other manufacturers, SYMMETRY models are unencumbered by unsightly venting. Venting and grills take away from the aesthetics of a fireplace and the SYMMETRY series have some of the biggest glass viewing areas in the industry. You'll see more of what is important - a beautiful, warm and comforting flame display.

SYMMETRY B

The SYMMETRY B by Amantii is our basic model offering clean, contemporary aesthetics with no visible unsightly heat vents. Featuring our exclusive multi-colored state-of-the-art FIRE & ICE® flame presentation. The slim design allows for versatile applications including semi-flush mount within 2 x 4 walls. Standardized sizing allows for hassle free installation at any stage. Enjoy the warmth and beauty of the SYMMETRY B in your favorite living spaces.

FIRE GLASS & MEDIA

FIRE GLASS

Our decorative fire glass media is a beautiful addition to your gas fireplace. Turn your fireplace into a expressive work of art by simply adding our decorative fire glass media. Our fire glass adds a distinctly modern feel to your gas fireplace - mix colors and textures for a unique appearance.

Our decorative fire glass is tempered and will not melt or degrade, some discoloration is normal on glass that is placed directly on the flame. Always wear protective gloves when handling fire glass media.

One 5lb container of media will cover 1 square foot.

BI-40-XTRASLIM MANTEL-SURROUND

Amantii's newest line of birch wood mantel-surrounds bring the beauty of genuine birch wood into any space. With four nature inspired colors to choose from, you will find a mantel-surround that is perfect for any space in your home, business or commercial setting. Amantii has designed a mantel-surround for your Bi-40-XTRASLIM fireplace that will compliment every style.
All our mantel-surrounds have been crafted from birch wood with a paint wash application reflective of the variety of colors found in a birch tree forest.

As with all genuine products, variations to the natural wood grain will mean there could be slight variations that may differ from the catalog images or samples.

Variations will occur in color, character, tone and grain from product to product. Slight variations between samples and finished goods should be anticipated. In addition, a touch up pen has been included in the packaging should there be any imperfections caused by the shipping of this product.

The BI-40-XTRASLIM mantel-surrounds have been approved for use in kitchens and bathrooms. The matnel-surrounds cannot be used in outdoor settings.
