THE COMBINATION POSSIBILITIES ARE ENDLESS

It is possible to make multiple sizes by simply placing two or three units together of any size. A linear fireplace of 90" can be created by joining two 45" Tru View Bespoke units together.

Combine a 55" and 65" Tru View Bespoke for 120". Combining two units of 75" would be a custom 150" electric fireplace. A Tru View Bespoke linear fireplace of 185" would consist of two 55" and one 75" unit.

Anything can be combined, and the possibilities are endless
