

UPTOWN
LUXURY ELECTRIC FIREPLACES

PROUDLY DESIGNED IN THE
PACIFIC NORTHWEST

The perfect fireplace for any room

A fireplace is an incredible accent to have in your home. The cozy motion of a flickering flame and the comfortable warmth that can be felt throughout the room create a relaxing environment that you can't help but enjoy.

Uptown is removing the obstacles to this experience with our new line of beautiful electric fireplaces. These units can be installed in four separate styles and can be customized with a wide array of visual combinations. Find your perfect fireplace in this brochure or online at uptownfireplaces.com

Western Timber

REAL WOOD LOG SET

HAND-CUT FROM REAL WOOD

Each Western Timber Log Set is individually handcrafted by our team of in-house artisans using real Douglas Fir logs sustainably harvested from the Pacific Northwest.

Each set is unique in the way logs are cut, burned, and distressed. Our unique process creates an incredibly realistic burn presentation that will continue to amaze for years to come.
