Features

A Stove With A View

The clean yet traditional style of the GM60 frames a wide view into the fire. Enjoy the dancing flames of the clean-burning fire.

TruHybrid™ Reliability

Our Green Mountain stoves exceed EPA clean burning standards. You can be sure they will burn clean today and for many years to come.

Soapstone Firebox Lining

The GM60 is lined with soapstone blocks to store the heat from the fire and give off a gentle radiant heat that lasts. We call it HeatLife™.
