LUXURY ELECTRIC FIREPLACES

UE29 FIREPLACE INSERT

Western Timber AUTHENTIC LOG SET

Uniquely torched & detailed on-site using logs cut from real timber. The first and only real wood log set in North America.

NEXT GEN FLAME TECHNOLOGY

A new innovative electric flame technology with ember bed lighting providing a realistic burn display.

DESIGNED IN CANADA

Designed in the pacific northwest where we have been manufacturing fireplaces for over 30 years.

3 YEAR WARRANTY

The high build quality allows us to offer a generous 3 year warranty on this product.

AMBIENT FIRE SOUNDS

Enjoy the sounds of a crackling fire. Audio can be turned off and on via the remote.

APP CONTROL AND TOUCH REMOTE

Smartphone or your tablet controls to adjust brightness, hue, and more. Includes a sleek touch enabled remote control.

SURROUND PANELS

Compatible with a standard and oversized surround that can be three or four-sided as well as the Forgeworks face. A custom surround panel is also available.

INSTALL COMPATIBILITY

The slim install depth of this fireplace allows it to be installed in a large variety of existing hearths, or as a new construction fireplace.

FIRE GRATE

A high quality steel fire grate anchors the log set and adds to the authentic fireplace look.
