

UPTOWN
LUXURY ELECTRIC FIREPLACES

UE43H
HOLOGRAPHIC FIREPLACE

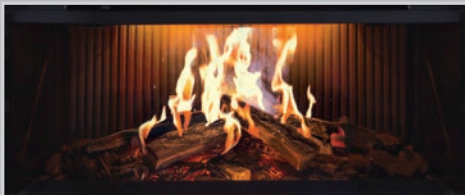

Burner Styles Options

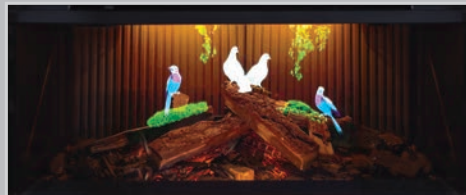

Subtle Flame

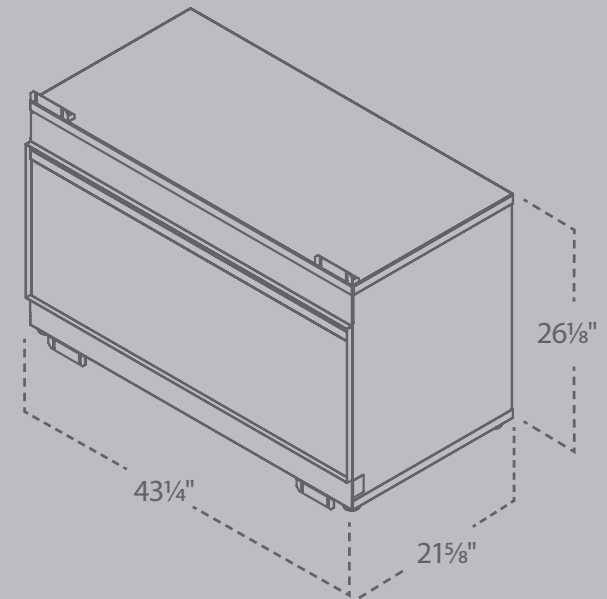

Large Flame

Medium Flame

Nature Scene

Holographic Effect

A 45° pane of specialized glass reflects a high contrast screen on top of the provided log set for a life-like three-dimensional appearance.

Optional Surround

An optional steel surround can have a dramatic effect when installing the UH43 in a larger room.

Slim Remote

The Included anodized aluminum remote allows for full control of the flame, heat, and lighting.
