Go Large with Luxury

The U75T Linear Gas Fireplace is the first dedicated linear available from Urbana Luxury Fireplaces. It's impressive 75" visible width is sure to command the attention of everyone in it's vicinity. A beautifully designed flame pattern can be accented by one of four different ultra high definition log sets (shown below) or you can go for an extra modern appearance with a full bed of glass media. Optional hearth shale and a painted steel or black glass bezel round out it's available firebox accents.
